In June 2014, WATERPOLO PEOPLE organized in Naples '**A FUTURE FOR WATERPOLO**' **Workshop** in which it was presented the **WATERPOLO VISION**, an X-ray of the status of water polo in the world. The work was presented during a meeting with FINA, held on 14 November 2014, in Lausanne with the Executive Director Dr. Cornel Marculescu and Sir. Gianni Lanzi, Chairman of the Technical Committee FINA.

Accordingly, WATERPOLO PEOPLE defined a **SUSTENIBLE DEVELOPMENT WATER POLO PROJECT** supported by qualified MULTINACIONAL MARKETING AND COMMUNICATION AGENCIES, which was analysed in a meeting in Lausanne with some members of FINA.

WATERPOLO PEOPLE, in several initiatives aimed at the development of the practice of water polo in the 5 continents, is organizing the tournament called **YELLOW BALL WATERPOLO INTERNATIONAL EVENT**, now in its second edition, which is an interesting format to develop the practice of water polo in the world. It provides for the organization of **YELLOW BALL** in 5 continents during which they will be held workshops aimed at training managers / promoters, coaches, referees and plant operators, and they will be invited clubs, families, institutions, media and sponsors.

Finally, it develops its activities with resources of its members and with the cooperation of every single person, who involved in our sport, want to collaborate with useful ideas to improve the water polo.

Important communication tool for the Association is the official website www.waterpolopeople.com, real interactive portal online since February 2015, which, in a short time, proved to be a point of reference as regards information about Italian and international water polo.

Yellow Ball Waterpolo International Event was born with the aim of educating children of the earliest age group to sport and ethical values inherent in it, as well as of promoting water polo in the five continents.

Furthermore, considering that families have got the great potential for the development of water polo, should they occur disorders of various kinds between players, coaches, managers, spectators and families present in the stands of the plant, the referee immediately declares suspended the game and will inflict the defeat by default with a score of 2 sets to 0 to the team whose subjects behave unfairly and improperly.

If such behaviours should involve both teams, the defeat by default will be inflicted and proportionate to both teams (0 points).
